

Hawridge & Cholesbury C of E School

Health and Safety Policy

January 2023

Review Date: July 2023

Hawridge and Cholesbury CE School

Where appropriate, this policy should be read in conjunction with the Buckinghamshire Council Health and Safety Policy.

PART 1: GOVERNING BODY STATEMENT OF INTENT

Effective health and safety management is integral to delivering our ambition for excellence in education and our performance as a school. We are committed to high standards of health, safety and wellbeing and will take all reasonable steps to meet our responsibilities under the Health and Safety at Work Act, the Management of Health and Safety at Work Regulations, other relevant health and safety legislation and the Regulatory Reform (Fire Safety) Order 2005. Our overall objective is to provide and maintain a safe and healthy environment for our staff and pupils and others with whom we work.

We will achieve this by:

- Taking reasonable steps to make sure that the school is following the health and safety policy and procedures e.g., through regular discussion at governance meetings;
- Promoting a sensible and proportionate approach to health and safety, making use of competent health and safety advice when required;
- Working in close partnership with the Headteacher and senior management team to support sensible health and safety management and to challenge as appropriate;
- Developing and maintaining a positive health and safety culture with an emphasis on continually improving our performance taking into account human and cultural factors;
- Ensuring staff receive adequate information, instruction and training to enable them to carry out their responsibilities competently;
- Ensuring that health and safety management is an integral part of decision making and organisational processes;
- Providing a safe and healthy working environment for our staff, pupils and others working in the school;
- Ensuring safe working methods are in place and providing safe equipment.
- Communicating and consulting with our staff and their trade union representatives;
- Complying with statutory requirements and where possible best practice;
- Investigating and learning the lessons from accidents, incidents, near misses and work-related ill health incidents;
- Monitoring and reviewing systems and preventative measures to make sure they are suitable, sufficient and effective

- Ensuring adequate resources are available to fulfil our health and safety responsibilities and objectives;
- Working with and monitoring our contractors to ensure consistent and comparable health and safety standards.

We recognise that overall responsibility for health and safety lies with all levels of management having direct responsibility for activities and staff under their control. However, all staff have a legal and moral responsibility to take reasonable care for the health and safety of themselves and for others who may be affected by their acts or omissions.

PART 2: RESPONSIBILITIES AND ORGANISATION

1. INTRODUCTION

To comply with the Governing Body's Statement of Intent the following responsibilities have been assigned:

2. THE GOVERNING BODY

The Governing Body recognises its responsibilities for ensuring that suitable organisational arrangements are in place for the management and control of health and safety within the school and will endeavour to ensure that the local authority's policy is implemented with regard to its responsibility. In particular, we will ensure that:

- A written policy statement is created and communicated which promotes a positive attitude towards health and safety in staff and pupils;
- Responsibilities for health, safety and welfare are allocated to specific people and those people are informed of these responsibilities;
- A lead governor for health and safety is nominated;
- People have sufficient experience, knowledge and training to perform the tasks required of them;
- Clear procedures are created which assess the risk from hazards and produce safe systems of work;
- Health and safety performance is monitored and targets for improvement are set;
- Ensuring that the site and premises is maintained in a safe condition and that sufficient funding is allocated;
- Seeking specialist advice on health and safety which the establishment may not feel competent to deal with;
- The school's health and safety policy is reviewed regularly (at least once annually) and implementing new arrangements where necessary;
- Our management of health and safety considers the needs of anyone with a protected characteristic under the Equalities Act

3. THE HEADTEACHER

Leadership of health and safety is about managing risk sensibly – not trying to eliminate it altogether. The Headteacher will provide visible leadership to the whole school so that staff feel motivated, supported and empowered to focus on the things that really matter.

The Headteacher is responsible for all staff and activities under their control and will ensure that the requirements of relevant safety policies and procedures are implemented and complied with. In particular, they will:

- Ensure that the school is following Buckinghamshire Council's Health and Safety Policy and has effective arrangements for managing the real health and safety risks at the school.

- Be fully committed to the Governing Body's Statement of Intent, ensuring that a positive health and safety culture is demonstrated and promoted through their leadership.
- Act as the "Responsible Person" under the Fire Safety Order within the School.
- Maintain effective communications with governors, and the school workforce, and give clear information to pupils and visitors, including contractors, regarding the significant risks on site;
- Nominate themselves or a senior manager as the Health and Safety Co-ordinator;
- Undertake all relevant training appropriate to their role and ensure staff are given adequate information, instruction, training and supervision to carry out their duties, paying particular attention to new/inexperienced employees and trainees;
- Make sure that staff understand their responsibilities and know how to access support and advice to help them manage risks responsibly;
- Ensure that appropriate risk assessments are undertaken by competent persons and that suitable control measures are taken on a risk basis to manage the health and safety risks to staff and any other people who may be affected by the school's activities;
- Ensure that risk assessments are undertaken in relation to directly managed staff, for example, job-based risk assessments, stress risk assessments, return to work risk assessments, personal emergency evacuation plans;
- Ensure safe systems of work and procedures are developed and are implemented;
- Ensure prompt action is taken to resolve any situations that may adversely affect the health and safety of staff or other people;
- Ensure that they seek timely assistance and advice where expert help is required from Health and Safety Consultancy team;
- Ensure that all plant and work equipment provided is selected through a risk assessment process, suitable, properly maintained and subject to all necessary tests and examinations;
- Ensure that accidents and incidents (including near misses and violence and aggression) are reported to County and the HSE (where appropriate) and investigated and the findings acted upon without delay;
- Ensure there are meaningful, effective arrangements in place for consulting employees and their trade union representatives on health and safety matters that affect them;
- Ensure information that may assist safety representatives in their role is provided to them;
- Complete the school's Annual Health and Safety Compliance Report to the Managing Director, Children's Social Care and Learning;
- Participate and make recommendations to the Governing Body in relation to external independent audits carried out by the Council or other bodies;
- Report to the Governing Body any health and safety issues which cannot be resolved;
- Ensure the requirements of the Occupier's Liability Acts 1957/1984 are complied

- with to reduce risk to lawful and unlawful visitors;
- Monitor and review health and safety performance through:
 - termly health and safety inspections of work areas/practices;
 - setting health and safety targets and objectives through appraisals and other supervisory reviews;
 - reviewing incidents and accidents;
 - monitoring commissioned and contracted work for compliance;
 - ensuring that the management of health and safety considers the needs of anyone with a protected characteristic under the Equalities Act;
 - ensuring audit action plans are implemented;
 - reporting to the Governing Body at least annually on the school's health and safety performance.

4. LEAD GOVERNOR FOR HEALTH AND SAFETY

The Lead Governor has the following responsibilities:

- To be fully and visibly committed to the Governing Body's Statement of Intent for health and safety;
- To scrutinise and review health and safety performance;
- To provide support and challenge to the Headteacher and the Governing Body in fulfilling their health and safety responsibilities;
- To ensure in particular that risk assessments of the premises and working practices are carried out and documented;
- To arrange a termly inspection of the school by either themselves or another Governor and to provide a report to the Governing Body.

5. RESPONSIBILITIES OF THE SENIOR LEADERSHIP TEAM (SLT)

The SLT will support the Headteacher with the overall management of health and safety in the school. This will include:

- Providing leadership by ensuring health and safety is considered as part of every decision;
- Considering the health and safety impact of any new initiatives;
- Informing the Headteacher of any health and safety issues that affect the school;
- Agreeing strategic health and safety initiatives;
- Monitoring the overall implementation of the school's health and safety policy in their areas of control and agreeing the annual health and safety report.

6. HEALTH AND SAFETY COORDINATOR (HEADTEACHER)

The Health and Safety Coordinator has the following responsibilities to:

- Attend appropriate health and safety training courses including IOSH Managing

Safely and Fire Risk Assessor Training to enable them to discharge their duties effectively;

- Ensure that a fire risk assessment is completed for the school and that it is implemented and reviewed at least annually;
- Promote health and safety matters throughout the school and assist the Headteacher in the implementation of the Council's and School's Health and Safety Procedures;
- Ensure the Fire Log, Asbestos Log and Legionella Log are kept up to date;
- Ensure that the Health and Safety Notice Board is kept up to date;
- Ensure the correct accident, incident and near miss reporting procedures are followed and that, where appropriate, accidents are investigated;
- Arrange termly health and safety inspections and ensure follow up action is completed and records kept available for audits;
- Ensure appropriate procedures for school visits is followed;
- Participate in any Health and Safety Audits arranged by the Council;
- Provide health and safety induction training for all staff;
- Provide basic fire awareness training for all staff at least every six months. Refer to training notes section 3.3 Health and Safety Policies and Procedures.
- Keep an up-to-date record of staff health and safety training;
- Ensure that all statutory inspections are completed and records kept;
- Make provision for the inspection and maintenance of work equipment;
- Ensure that emergency drills and procedures are carried out regularly and monitored for effectiveness and that records are kept;
- Monitor contractors on site and ensuring they consult the Asbestos Log before starting work;
- Coordinate and manage the annual risk assessment process for the school;
- Coordinate performance monitoring processes;
- Manage records of all health and safety activities including management of building fabric and building services in liaison with the Council and other contractors;
- Advise the Headteacher of situations or activities which are potentially hazardous to the health and safety of staff, pupils and visitors;
- To ensure that staff are adequately instructed in safety and welfare matters about their specific workplace and the school generally.

Their school wide roles includes:

- management and monitoring of purchasing and contracting procedures to ensure risks are effectively managed;
- advising contractors of site specific risks and overseeing their activities on site;
- ensuring staff and visitors are aware of the on-site procedures and the precautions to follow;
- accident and incident reporting;
- implementation, monitoring and review of training procedures;

- preparation of reports and returns for the school leadership team

7. TEACHING AND SUPPORT STAFF HOLDING POSITIONS OF SPECIAL RESPONSIBILITY

This includes Assistant Headteachers, School Business Manager, Caretaker

They have the following responsibilities to:

- Apply the school's Health and Safety Policy and the relevant health and safety Codes of Practice to their own area of work and be directly responsible to the Headteacher for the application of the health and safety procedures and arrangements;
- Carry out regular health and safety risk assessments of the activities for which they are responsible;
- Checking compliance with job risk assessments and reviewing health and safety performance in staff appraisals/performance management reviews;
- Ensure that all staff they manage are familiar with the relevant health and safety Codes of Practice, for their area of work;
- Resolve health, safety and welfare issues that staff refer to them, or refer to the Headteacher any matters for which they cannot achieve a satisfactory solution within the resources available;
- Carry out regular inspections of their areas of responsibility to ensure that equipment, and activities are safe and record these inspections where required;
- Ensure, so far as is reasonably practicable, the provision of sufficient information, instruction, training and supervision to enable other staff and pupils to avoid hazards and contribute positively to their own health and safety;
- Investigate any accidents that occur within their area of responsibility.

8. CURRICULUM LEADERS HAVE THE FOLLOWING SPECIFIC HEALTH AND SAFETY RESPONSIBILITIES:

Curriculum Leaders have expertise in their topic areas and are often in the best position to advise or lead on the arrangements for assessing and managing risk in their subject.

- a. The day to day management of health and safety for their subject in accordance with the health and safety policy;
- b. Drawing up and reviewing subject policies, procedures and risk assessments regularly (at least annually);
- c. Carrying out regular health and safety monitoring inspections of the curriculum area and making reports to the Headteacher where appropriate;
- d. Ensuring follow up and remedial action is taken following health and safety inspections;
- e. Arranging for the appropriate subject specific health and safety training to be provided to all staff;

- f. Passing on health and safety information received to the appropriate people;
- g. Acting on health and safety reports from above and below in the school hierarchy.
- h. Report all accidents, defects and dangerous occurrences to the Headteacher and/or Health and Safety Coordinator.

8. CLASS TEACHERS

Class teachers are expected to:

- Exercise effective supervision of their pupils, to know the procedures for fire, first aid and other emergencies;
- Follow the particular health and safety measures to be adopted in their own teaching areas as laid down in the relevant Codes of Practice;
- Give clear oral and written instructions and warnings to pupils when necessary;
- Follow safe working procedures;
- Require the use of protective clothing and guards where necessary;
- Make recommendations to the Headteacher regarding equipment and improvements to plant, tools, equipment or machinery;
- Integrate all relevant aspects of safety into the teaching process;
- Report all accidents, defects and dangerous occurrences to their manager.

9. SAFETY REPRESENTATIVES

Safety representatives do not have responsibilities under this policy; however they do have functions as laid down in the Safety Representatives and Safety Committees Regulations 1977.

The Governing Body believes that consulting employees on health and safety matters is important in creating and maintaining a safe and healthy working environment.

10. STAFF

All of the school workforce play an important part in sensible health and safety management in schools. Staff involvement makes a vital contribution towards achieving safer and healthier workplaces, and helps develop sensible rather than over cautious approaches.

When developing learning opportunities, staff should focus on controlling the real risks, not eliminating all risks. Health and safety is about doing things safely, not finding reasons not to do them.

In particular staff must:

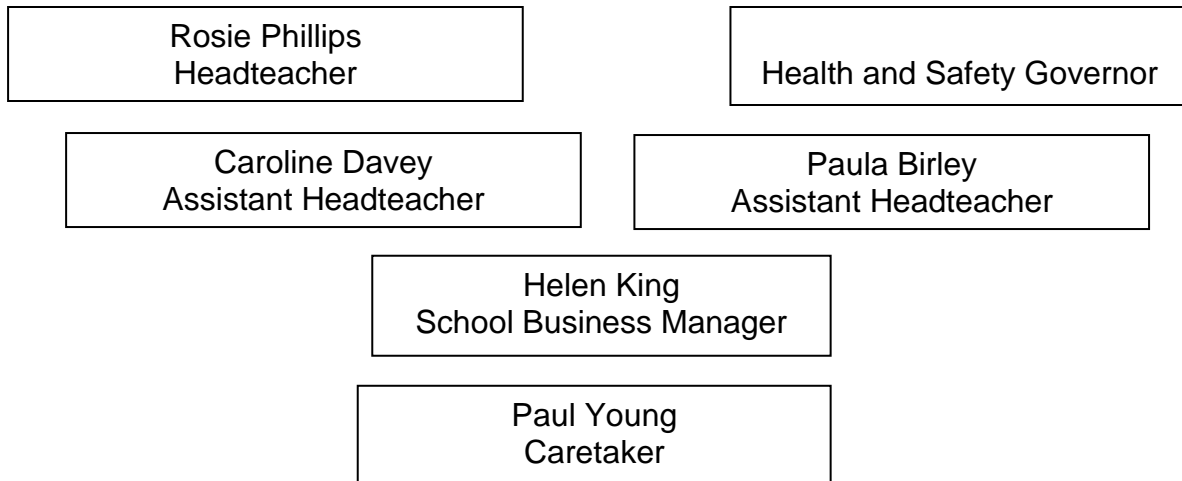

- comply with the school's health and safety policy and procedures at all times;
- take reasonable care for the health and safety of themselves and others when undertaking their work, for example;
 - check classrooms/work areas are safe;
 - check equipment is safe before use;
 - ensure safe working procedures are followed;
- co-operate with managers in complying with relevant health and safety safe systems of work and procedures;
- use all work equipment and substances in accordance with instruction, training and information received;
- wear, use, store, maintain and replace personal protective equipment as appropriate;
- not intentionally or recklessly interfere with or misuse anything provided in the interests of health, safety and welfare;
- take part in and contribute to health and safety inspections, risk assessments etc. as appropriate;
- report
 - accidents, incidents of violence and aggression and near misses;
 - ill health caused by work activities;
 - defective equipment or premises, hazardous situations and other health and safety concerns;
 - report immediately to their Headteacher/Line Manager any serious or immediate danger.

11. PUPILS

Pupils, allowing for their age and aptitude, are expected to:

- take personal responsibility for the health and safety of themselves and others;
- observe standards of dress consistent with safety and/or hygiene;
- observe all the health and safety rules of the school and in particular the instructions of staff given in an emergency;
- use and not wilfully misuse, neglect or interfere with things provided for their health and safety.
