Usually we have a high response to activities in the Chiltern League so we might have to offer children a chance to play in a match on a rotating system. If so, all children will get equal opportunity to participate. It will be communicated to you every week to confirm your child's place and the location of the game. **All games are scheduled to start at 3.45pm** and should finish by about 4.45pm.

Please come along and support the team if you can. For away matches, children can be picked up early from the school office at 3.15pm.

If your child would like to take part, please complete this [Girls football google form](#).

Thank you

Miss Bovington
