Be careful what you wear when you're out to scare

Some fancy dress costumes are highly flammable so they can ignite almost instantly and burn fast.

🎃 **Try to buy from a reputable store or website. Cheap costumes may not meet UK safety standards.**

🎃 **Look for a costume with a UKCA or CE mark**

🎃 **Look for a label that says: "This garment has undergone additional safety testing for flammability"**

🎃 **Remind children to stay well away from naked flames and other heat sources**
