

Hawridge and Cholesbury CE School

Parent Questionnaire Findings January 2017

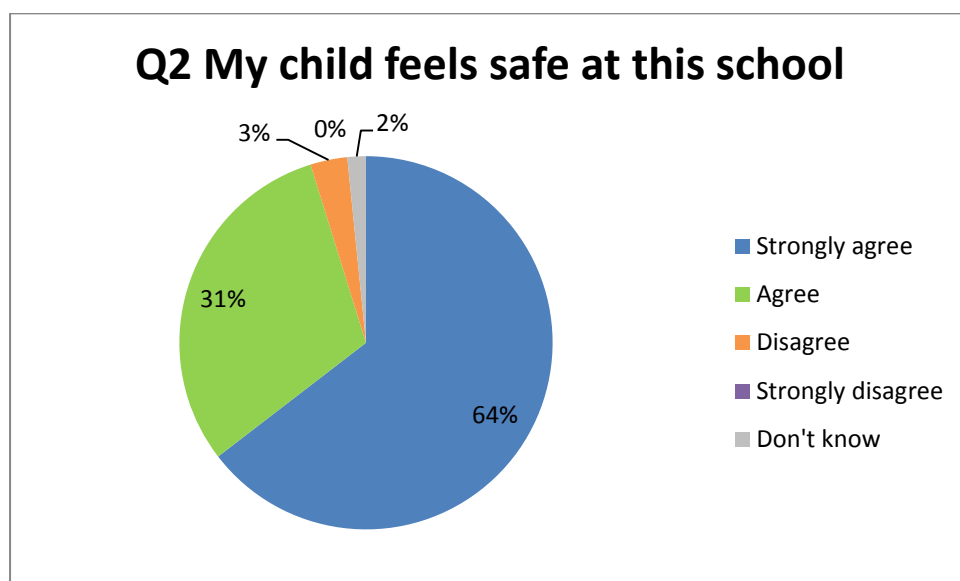

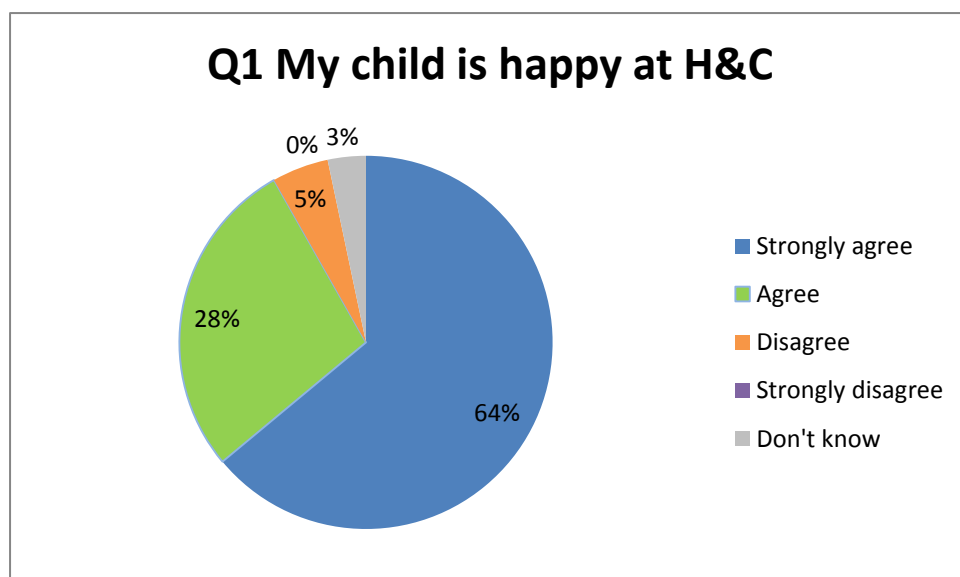

Context

Parents/carers of all children at Hawridge and Cholesbury CE School were sent a governor parent questionnaire in January 2017. The number on roll at the time the questionnaire was sent out was 184. A total of 60 completed questionnaires were returned. Some parents indicated that they had more than one child at the school and so the views collected represent the experiences and views of parents/carers of at least 81 children in the school. Of these 33 were in Reception or Key Stage 1 and 43 in Key Stage 2. Four completed questionnaires did not include details of the ages of the child(ren).

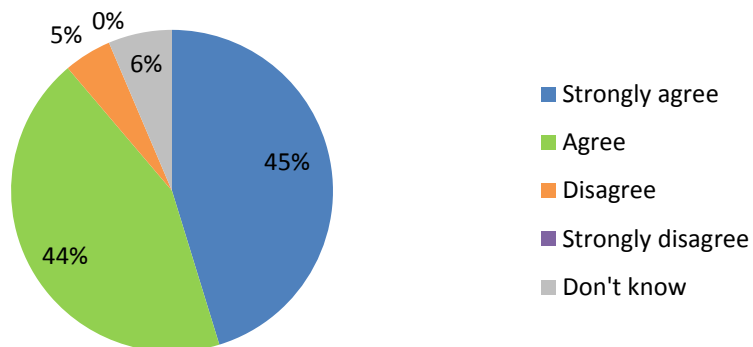

Some parents/carers answered questions to reflect different views depending on their experience with different children. Some questions were not answered by all.
