Dear Parent/ Carer,

I am pleased to be able to offer your child a place in our morning Nessy sessions that run every Monday to Thursday morning from 8:35am-8:55am in the computer room. The sessions will commence on Monday 11<sup>th</sup> September 2023.

Nessy is an individualised interactive Reading and Spelling program supporting literacy development. Each child learns independently and at their own pace, gradually building confidence.

The program starts with a Nessy Challenge to establish the child's baseline reading and spelling skills. It then automatically assigns personalised reading and spelling target lessons. Children work through the series of lessons which involve watching teaching videos and playing interactive games. Children collect Nessy nuggets as a reward for their effort which they can trade for more games and virtual trophies.

Please complete the slip below or email the office if you would like to accept the place.

Kind regards,

Caroline Davey  
Assistant Headteacher
